

PRAYERS AND DECREES FOR THE PROTECTION OF AMERICA'S WATERWAYS

1/15/2024

PRAYER

Father, You have assigned us to pray for protection over America's water supply, waterways, and dams. Your Word tells us that unless You keep or guard a city, the efforts of watchmen are in vain (Psalm 127:1). Therefore, we look to You for protection - You are our refuge, a very present help in times of trouble (Psalm 46:1). When You are for us, who can be against us (Romans 8:31)? You save us from our enemies, men of bloodshed who do iniquity (Psalm 59:1-2). You are the Creator and Owner of the entire world - all of its inhabitants, as well as the seas and rivers. You are the King of glory, the Lord strong and mighty in battle, and the Lord of angel armies (Psalm 24:1,7,8,10). As a Master Workman, You set the boundaries for the seas and drew the tributaries of the earth (Proverbs 8:29-30), and still maintain ownership and authority over them.

We know, Father, that we always have access to Your throne of grace through Yeshua (John 14:13-14; Hebrews 4:16). However, in the dream, we were given coins referencing our authority for this specific assignment. They included the words "Official Pass," the Cross engraved onto an arrowhead, and the U.S. seal. The blood of Jesus (the Cross) is our official pass, giving us authority to accomplish this assignment. Yet, it was engraved onto the arrowhead, which in Scripture pictures deliverance and victory (2 Kings 14:14-19) - our "deliverance" from evil is in the power and blood of Jesus. However, we believe You are also reminding us of the 300 arrowheads, 5 of which were buried in each state after being anointed with oil by First Nations believers. As our First Nations friends prayed over the oil, they were led to declare Isaiah 60, verse 18: *"Violence will not be heard again in your land, nor devastation or destruction within your borders, but you will call your walls salvation, and your gates praise."* Our covenant with You, Lord, through the Cross, also joins us in covenant with our First Nations brothers and sisters. We believe You are cleansing America of past sins, healing her of broken covenants and relational wounds, and giving us a future filled with hope (Jeremiah 29:11). The coin reminds us of this.

To You, Lord, nothing is hidden; You reveal and expose secret plans and agendas (Matthew 10:26; Luke 8:17). We ask that any foreign or domestic plans to harm our dams, waterways, and water supply will be revealed and thwarted before they are carried out. Expose every plot to restrict our supply lines, hinder our power sources, or tamper in any way with our water supplies, dams, or waterways. Prevent the theft of weapons, extortion, and all that would assist terrorist

activities. Frustrate the plans of the crafty to keep their plans from succeeding (Job 5:12), and create disunity and confusion among them (Judges 7:22).

Prevent those bent on doing evil from infiltrating critical positions of influence in our nation. Expose all corruption and confusion that would delay the rooting out of terrorism (Luke 12:2-3). Protect and give wisdom, discernment, and intelligence to all those involved in the search for terrorists: police departments, Homeland Security and their partners, the FBI, border agents, and guards at dams and waterway entrances. Open their eyes, direct their steps, and reveal the whereabouts of all those bent on doing evil. Weed out and expose any in positions of authority who may be involved in aiding or advancing terrorism from within. Protect us from cyber-attacks.

Contend with those who contend with us (Isaiah 49:25), cause evil to *"bow down before the good, and the wicked at the gates of the righteous"* (Proverbs 14:19). We ask that Holy Spirit would hover over the dams and waterways of our nation, just as He did the waters of the earth in Genesis 1:2, releasing life and blessing. Arise over us, God, and cause every enemy to be scattered (Psalm 68:1).

DECREES

Father, we know that as Holy Spirit was hovering over the waters at creation, Jesus was declaring life-giving words (Genesis 1:3-25; John 1:1-3). As His Ekklesia, His representatives, we now declare and decree His Words over our water supply, waterways, and dams:

- We decree that the powerful and majestic voice of the Lord thunders upon America's waters, blessing them with peace (Psalm 29:3-4,11).
- We declare peace and security within our nation's walls; violence will no more be heard in our land, devastation or destruction within our borders; our walls are salvation and our gates praise (Psalm 122:7; Isaiah 60:18).
- We declare that God is a wall of fire around our nation, and His glory is in our midst. He is our hiding place; we are protected from trouble because He surrounds us with songs of deliverance, and His angels encamp around us. The Lord keeps us from harm by day and by night, watching over our coming and going from now and forever (Zechariah 2:5; Psalm 32:7; Psalm 121:5-8).
- We decree, by faith in God and His Word, that every dam, waterway, and water supply in [*insert name of your state*] and all of America is protected and shielded from evil. No evil plot planned or devised against them will succeed; every snare is broken. We will not fear, and terror will not come near us (Isaiah 54:14 AMP; Isaiah 54:17; Psalm 21:11; Psalm 124:7).

- We decree Proverbs 21:22 (TPT) over America: *“A warrior filled with wisdom ascends into the high place and releases regional breakthrough, bringing down the strongholds of the mighty.”* Therefore, we decree the tearing down of every hidden stronghold of the enemy over America’s dams, waterways, and water supply and release breakthroughs in every region.
- We declare Isaiah 58:11 over America, that she is a well-watered garden, whose waters do not fail.
- Read and declare Psalm 91.

RECOMMENDATIONS FOR EACH STATE

1. In the dream, each state representative was given a hand-carved staff. In Old Testament times, men’s staffs were hand-carved with pictures representing their history and testimonies of God’s faithfulness. We encourage intercessors in each state to use their state’s history, specifically the preamble to its constitution, in a prayer or decree.
2. We also encourage intercessors to consider using the book [The Prophetic Destiny of A Nation](#), praying and declaring God’s prophesied destiny over their individual state.
3. We also want to point out that there are several nuclear silos for our military in the Northwest and Plains states, two parts of the nation especially highlighted in the dream. We encourage intercessors in these states to remember this as they pray. Holy Spirit will guide you as you do so.
4. One of our team members wrote the following decree for the states through which the Mississippi River flows. However, the decree can be used not only for those states, but also could be easily adapted for any major river:

Lord we thank You for the main artery of the Mississippi River, called also the "Father of Waters" and "America's River, running 2,350 miles through our nation from northern Minnesota to the Gulf of Mexico. In the name of Jesus, we ask that angels protect everything regarding this river. We bind all attempts to obstruct the petroleum, agricultural, and other commercial items it carries. We decree that no destruction shall come to its flood control structures & pumping systems, and that no attempts at cyber disruption of refineries, chemical plants, or the computer networks that regulate the barges will succeed. We declare Ezekiel 32:14 that the waters of the Mississippi run deep and smooth like oil, that all along its banks is blessed, and all of its ports are prosperous.

In conclusion, Father, consider the threats against America and give Your people boldness to speak Your Word. Stretch out Your hand to heal our land and people, performing signs, wonders, and miracles, for Your glory (Acts 4:29). Breathe upon the intercessors with words, travail, groans, cries, songs and decrees to govern with Your power (Romans 8:26-27; Psalm 149). In Yeshua's name, Amen.
